

# Behavioral Health Provider Search Application - Introduction

The desktop view of the application features a top navigation bar with the Magellan Healthcare logo on the left, a user profile dropdown (Hello, Guest) and search bar on the right, and a central navigation menu with links for WELCOME, PROVIDERS, BENEFITS, HEALTH INFORMATION, MEMBER SERVICES, CARE GUIDE, MANAGERS, LIFE EVENTS, and a REGISTER button. Below the navigation is a hero section with a background image of a person's legs on a path. The hero text reads: "Life is full of twists and turns. A little bit of support can go a long way. Find a provider today." To the right of the hero text is a box titled "Additional Resources" containing three links: "Treatment Length Estimator", "Why should I select a Magellan in-network provider?", and "GET CARE NOW - Self-paced, clinically proven programs you can use at any time, day or night." Below the hero section are two tabs: "Location" and "Provider Info". The "Location" tab is active and contains a form with a "Choose a Provider List:" dropdown menu (currently showing "--Choose One--"), a "Search by Address" label, a "Zip Code:" input field, and a "Distance:" dropdown menu (currently showing "5 Miles"). A blue "SEARCH" button is located at the bottom right of the form.
